Re: Authorization to Receive Official Notices & Update Information via E-mail

We would like to take this opportunity to allow you to authorize the Eagle Creek Community Associations and their affiliates, including American Property Management Services [APMS], Eagle Creek Estate Homes No. 1 Neighborhood Association, Eagle Creek Villa Homes No. 1 Neighborhood Association, Eagle Creek of Naples Condominium Association and/or each individual Condominium Association, and/or Eagle Creek Community Association, to send you official Association notices and update information, including Budget Information, Meeting Notices, Dues/Assessment Notices and Invoices *in the most timely and cost effective manner possible – via E-mail*. By electing to receive communications via email, no further communications will be sent via U.S. Mail in a paper format. In order to do so, we need your official authorization, as per Florida Statutes, for this request. Simply complete the requested information below and return to the APMS office.

The Association must obtain your approval in order to email you official Association notices and update information and the Boards of Directors greatly encourage you to participate in this option.

You may withdraw your consent to receive Communications in electronic form for any of your Accounts by contacting us in writing and stating that you withdrawal your consent to receive official notices by email. The Boards of Directors and Management Team thank you, in advance, for your anticipated participation with this request.

Best Regards,
Hazel Ward, CAM.
